Golfers on the Ocean Course at Half Moon Bay

Tee To Table

The JDRF Greater Bay Area Chapter hosted the second annual **Tee to Table** event, bringing prominent business leaders and families from around the Bay Area to The Ritz-Carlton, Half Moon Bay. The event raised over \$900,000 and was attended by leaders of Silicon Valley—bankers, entrepreneurs, philanthropists, lawyers, investors, friends, and families—who networked and fundraised for type 1 diabetes (T1D) research. The JDRF Greater Bay Area Chapter Impact Award was presented to the Chisholm family at the event. Bill and Kimberly Chisholm, together with children Will, Aidan, and Quentin, were selected for their exceptional commitment to the JDRF mission to accelerate life-changing breakthroughs to cure, prevent, and treat T1D and its complications.
