

Is your child between the ages of 6-18 and interested in becoming more involved as a JDRF Youth Ambassador?

JDRF Youth Ambassadors are representatives of the JDRF Central Ohio chapter. They help throughout the calendar year by thanking sponsors, attending events, speaking to potential donors and/or companies and sharing their story of life with type 1 diabetes. We strongly encourage our ambassadors to be as active as possible but understand schedules may not permit 100% attendance. (Please note, a lot of our events and activities may take place in Columbus so if you are in our surrounding areas, please be flexible to commute in during these events.).

Our expectation is that ambassadors will attend/participate in half of the events scheduled and contribute a minimum of \$500 throughout the year either personally or through a fundraising campaign for one of our events (walk, ride, gala, JDRF Your Way).

If your child is interested, please complete a few questions below. This will be a one year commitment and will be reviewed by Outreach volunteers.

Name of Child: _____

Parent(s) Name(s): _____

Home Address: _____

Age: _____ **Age of Diagnosis:** _____

Parent Email: _____

Parent Phone: _____

Interests (crafts, speaking engagements, activities, etc):

Why are you interested in becoming a Youth Ambassador?

Stand-out traits/ special accomplishments:
