

JDRF ILLINOIS YLC GOALS:

The JDRF Illinois Young Leadership Committee (YLC) is a group of young business and civic professionals who actively support JDRF and type 1 diabetes (T1D) research. The common thread: we all want to turn type one into type none.

The YLC's membership tiers allow you to select a level of involvement that best suits your availability.

- Create awareness of T1D among Chicagoland young professionals
- Raise money to fund critical T1D research
- Build a strong network to support critical T1D funding and education

* Membership level has an annual \$250 give/get credit requirement

MEMBERSHIP COMMITTEE

- Interview and on-board new members
- Ensure membership engagement/retention
- Facilitate the nominating process for the Executive Committee slate and election

OUTREACH COMMITTEE

- Foster diabetes community relationships
- Contribute to the JDRF IL outreach effort
- Volunteering and advocacy development

MARKETING COMMITTEE

- Promote the YLC's overarching mission
- Manage communications related to YLC events and activities
- Develop content and maintain YLC social media profiles

EVENTS COMMITTEE

- Plan, schedule, and organize events throughout the year (fundraising, social, etc.)
- Focus on planning the YLC signature fundraising event ("The One Party")
