3. Event Participation:
   - Kick start your efforts by setting a fundraising goal that feels achievable to you! Push yourself to make a difference in the lives of those with T1D.
   - Take the first step toward reaching your goal by making a personal donation to your own fundraising efforts. Setting this example will help you when you ask others to make a donation.
   - Choose your participation type (depending on if you will be attending the Walk or not).
     - Note: Choose **Virtual Walker** if you wish to Fundraise but will not be present on walk day.
4. **Registration**: Provide your information such as name, address, and phone number. There are also a few questions at the end of the form about your interests.

5. **Registration Summary and Waiver**: This is the last required step! Please review your registration information.
   - If you would like to add a child under 16 years of age, please select **Register Your Child** and enter the child’s name and information. If you will need to reuse your email address for a child under 16 without an email address, now is the best time to register them. Once you complete your registration, you will need assistance from JDRF to reuse your email address for minors. Please note that all adult walkers should register themselves and use their own email address.
   - **Note**: An email address can only be used once unless you register your child during this step.
   - Read the terms of use for the website.
   - Select **Submit**.
6. **Registration Complete**: If you made a personal donation during registration, you will also need to provide your billing information.
