Traveling with T1D

NEW YORK CITY/LONG ISLAND CHAPTER

It's almost here: vacation season!

Whether you're hitting the road or flying halfway around the world, let us help you plan well for a healthy and hassle-free trip with T1D!

Dr. Marina Charitou, will share tips and how-to's for stress free travel. The key to an amazing getaway is all about preparation and this program will help ensure your travels go smoothly.

With careful planning and consideration you can explore all the places you want to!
