

# Ride with Us

Toward a World Without T1D

The JDRF Ride to Cure Diabetes is a destination cycling event that takes place in several stunning locations across the United States. Cyclists of all skill levels come together to raise funds for JDRF—the leading global organization funding type 1 diabetes (T1D) research—and to take part in a weekend-long celebration that leads up to the one-day Ride.

## Southeastern Wisconsin Chapter JDRF Ride to Cure Kickoff Meeting

**Thursday, January 10, 2019**  
**6:00-8:00pm**  
**Westallion Brewing Company**  
**1825 S 72nd St, West Allis**

Help us kick off the 2019 Ride season with an evening of fun and fellowship! Meet our staff, coaches and fellow riders, and learn more about the JDRF Ride experience.

All are welcome! From avid cyclists to novice riders, join us to learn how your participation will help us advance our mission at JDRF.

Please RSVP by January 7 to Erin at [evella@jdrf.org](mailto:evella@jdrf.org) or 414.203.5531.
