2020 Spring Diabetes Education Program

Taking T1D to School & Camp

Please join us to learn all about caring for children with T1D in the school environment, on the field and at camp. This program will cover the day-to-day management of T1D as well as the newest technologies being used for T1D management.

Tuesday, April 21, 2020
4:30 to 6:30pm

Yonkers Public Library - Riverfront Library
One Larkin Center, Yonkers, NY 10701 - Community Room A&B

With Rebecca Crespi, CPNP, CDE
Children's Hospital at Montefiore/Pediatric Endocrinology and Diabetes

Rebecca is a Certified Pediatric Nurse Practitioner and Certified Diabetes Educator. She has been practicing as a CPNP for the past 18 years and, for the last 11 years, has been working at the Children's Hospital at Montefiore in the Department of Pediatric Endocrinology and Diabetes. Rebecca also sits on the Board for The Human Growth Foundation, and the Pediatric Endocrinology Nursing Society.

Space is limited and an RSVP is required by Friday, April 17.

To RSVP, email Joan Benz at ibenz@jdrf.org and include your name, school or camp, school district or town, phone contact and date of training.

If you are RSVPing for others in your school or camp, please provide their contact information.

If you have specific questions or topics you would like covered, or if you have any questions, email ibenz@jdrf.org or call 203-854-0658.
